Were you able to open the files of the photos?

Sorry about the mix up on the thumb drive.

Ms Riley –

Attached are the 12 photos taken by BP during the EPA visit to BP Whiting on 15 April 2014.

The photos were not on the thumb drive Jim Wallace handed you on the 15th due to a misunderstanding between him and me. My apologies.

<< File: DSCN1276.JPG >> << File: DSCN1277.JPG >> << File: DSCN1278.JPG >> << File: DSCN1279.JPG >> << File: DSCN1280.JPG >> << File: DSCN1269.JPG >> << File: DSCN1270.JPG >> << File: DSCN1271.JPG >> << File: DSCN1272.JPG >> << File: DSCN1273.JPG >> << File: DSCN1274.JPG >> << File: DSCN1275.JPG >>

I will send you via US Mail a flash drive with these photos.

Please contact me if you have questions or comments about this matter.
